- ❖ Please, if you cannot make your scheduled time, make arrangements with a substitute.
- ❖ Eucharistic Ministers on the right side: when the cup is empty, place it on the side table and go to your seat. The Eucharistic Ministers on the left side will rinse and give the chalice to Father. After Mass the Eucharistic Ministers on the right will wash the sacred vessels.
- ❖ Eucharistic Ministers of the Host: please remember to use the hand sanitizer. The Eucharistic Minister on the left side will take the paten from the other, **go to the altar**, and combine the Hosts into the silver paten and return the Hosts to the tabernacle.
- ❖ We are now processing up with Father and the servers at the beginning of Mass. Please come to the back of church before Mass begins. We will process to the front of church, bow and return to our seats. If six Eucharistic Ministers do not process in with Father, this will be a heads up that there may be a need for others to fill in. Hopefully, this will allow for this solemn time of our Mass to flow more smoothly, with less distraction to all.
